Item 1.01 Entry into a Material Definitive Agreement.

On October 30, 2006, Integrated Electrical Services, Inc., a Delaware corporation (the "Company"), and certain of its subsidiaries (collectively, the "Indemnitors") entered into an amendment (the "Amendment"), to the Restated Underwriting, Continuing Indemnity, and Security Agreement, dated as of May 12, 2006 (the "Surety Agreement"), with Federal Insurance Company and certain of its affiliates and subsidiaries and their respective co-sureties and reinsurers (collectively, the "Surety"). Under the Amendment, the Indemnitors agreed to pay the Surety a facility fee of \$500,000, of which \$250,000 was paid concurrently with the entry into the Amendment and the balance will be paid on or before January 2, 2007. The Amendment deletes the expiration date for issuance of bonds under the Surety Agreement, and deletes the cap on the aggregate amount of bonds that may be issued in any calendar month. The Amendment also provides for the reduction of the existing pledged collateral amount to \$14,002,045 by January 2, 2007, and, together with the existing letters of credit, the total of this collateral that will continue to be held by the Surety will be \$35,000,000 as of January 3, 2007. The excess collateral amount of approximately \$4.8 million was returned to the Indemnitors on November 1, 2006. The amendment removes prior restrictions on writing bonds to two of IES' subsidiaries. The Amendment reduces the bond premium from \$17.50 per \$1,000.00 to \$15.00 per \$1,000.00. Additionally, the Amendment amends the definition of "Surety Loss" to exclude certain professional fees incurred before October 31, 2006, from the Surety's costs.

The foregoing description of the Amendment is qualified in its entirety by reference to the Amendment, which is incorporated herein by reference and attached hereto as Exhibit 10.1.

All capitalized terms will have the meaning set out in Section 1.

W I T N E S S E T H:

WHEREAS, Indemnitors and Surety entered into that certain Restated Underwriting, Continuing Indemnity, and Security Agreement dated as of May 12, 2006 ("the Agreement"), the terms of which are incorporated herein by this reference; and

WHEREAS, the parties desire to enter into this First Amendment for the purpose of amending and modifying the Agreement, as set out in this First Amendment.

NOW, THEREFORE, in consideration of the foregoing premises and other mutual considerations, the undersigned agree as follows:

1. Definitions. Unless otherwise specifically defined in this First Amendment, all capitalized terms will have the meaning set out in the Agreement.

The definition "Goochland Letter of Credit" is deleted from the Agreement.

The references to April 30, 2006, in the definition of "Surety Loss" is hereby deleted and replaced with references to October 31, 2006. The foregoing exclusion of certain professional fees incurred on or before October 31, 2006, is conditioned on Surety's receipt of the facility fee required under with Section 4 of this First Amendment.

2. Bonds; Conditions Precedent to all Bonds. The references to Valentine Electrical, Inc. and Daniel Electrical Contractors, Inc. are deleted from paragraph (e) of Section 3 of the Agreement. Paragraphs (h) and (l) of Section 3 are deleted in their entirety and replaced with "[Intentionally Omitted]."

3. Security Interest; Obligations Secured. The second paragraph of Section 5 of the Agreement is deleted in its entirety. Subject to the provisions of Section 4 of this First Amendment regarding the payment of a facility fee, and provided, that, no Event of Default has

occurred: (i) as soon as possible after the receipt by Surety of this First Amendment fully executed by Indemnitors, Surety will return to Indemnitors all of the Existing Pledged Collateral that is in excess of Fourteen Million Two Hundred Fifty Two Thousand Forty-Five Dollars (\$14,252,045); and (ii) on January 2, 2007, Surety will return to Indemnitors all of the Existing Pledged Collateral that is in excess of Fourteen Million Two Thousand Forty-Five (\$14,002,045). The forgoing amounts of Existing Pledged Collateral to be returned to Indemnitors have been determined after the payment of the facility fee referred to in Section 4. The Existing Pledged Collateral that Surety returns to Indemnitors will be returned free and clear of all Liens. Other than the Existing Pledged Collateral that is returned to Indemnitors by Surety, Surety will retain its first priority Lien and security interest in all of the Existing Pledged Collateral in the principal amount of Fourteen Million Two Thousand Forty-Five Dollars (\$14,002,045) (plus any interest and earnings that accrue after January 2, 2007) as additional security for any and all Surety Loss. Surety will also retain the Existing Letters of Credit. On January 3, 2007, the principal amount of the Existing Pledged Collateral that is retained by Surety plus the aggregate face amount of the Existing Letters of Credit will be equal to Thirty Five Million Dollars (\$35,000,000).

4. Facility Fee. In consideration of Surety's agreement to enter into this First Amendment, Indemnitors will pay to Surety a facility fee in the amount of Five Hundred Thousand Dollars (\$500,000). Two Hundred Fifty Thousand Dollars (\$250,000) of the foregoing facility fee will be due and payable contemporaneously with the execution of this Agreement and it will be deducted by Surety from the Existing Pledged Collateral that would otherwise be returned to Indemnitors. The remainder of the facility fee will be due and payable by Indemnitors on or before January 2, 2007, and will be deducted from the Existing Pledged Collateral that would otherwise be returned to Indemnitors.

5. Premium Payment. The reference to Seventeen 50/100 Dollars (\$17.50) found in Section 11 of the Agreement is hereby deleted and replaced with the reference to Fifteen Dollars (\$15).

6. Representations and Warranties of Indemnitors. Each Indemnitor represents and warrants to Surety that all of the representations and warranties made by Indemnitors in the Agreement (whether made as an Indemnitor or as a Principal) and in this First Amendment are true and correct as applicable to such Principal or Indemnitor in all material respects, as of the date hereof (except to the extent its representations and warranties specifically relate to an earlier date). In addition, Indemnitors represent and warrant that Valentine Electrical, Inc. and Daniel Electrical Contractors, Inc. are not insolvent within the meaning of the Bankruptcy Case.

7. Binding Effect. By executing this First Amendment, each signatory that was not a signatory to the Agreement will be deemed to be an Indemnitor under the terms of the Agreement as though such Indemnitor were an original signatory thereto.

8. Continuing Effect. Except as specifically set forth in this First Amendment, the Agreement remains in full force and effect as originally written.

9. Counterparts. This First Amendment may be executed by the parties independently in any number of counterparts, all of which together will constitute but one and the same instrument which is valid and effective as if all parties had executed the same counterpart.

IN WITNESS WHEREOF, the parties hereto have executed this First Amendment as of the day and year first above written.
